

MEDICAL COOPERATION AGREEMENT BETWEEN  
FACULTY OF MEDICINE OF KAGAWA UNIVERSITY AND 175 MILITARY HOSPITAL

To promote and improve the research, medical education and care with the intent of contributing to the health of the inhabitants of Kagawa in Japan and Ho Chi Minh City in Vietnam and, with the immediate aim of setting up a beneficial and efficient exchange of academic work with special emphasis upon the regions we, both parties hereby agree that:

1. In accordance with a mutual desire and respect to promote cooperation, the Faculty of Medicine of Kagawa University and 175 Military Hospital will begin an exchange.
  - a) In conformity with the general guiding principles mentioned below, both the Faculty of Medicine of Kagawa University and 175 Military Hospital will promote mutual exchange of scientists, students and officers to join education, research and clinical projects.
  - b) The exchange scientists, students and officers are recommended by the sending institution and, are decided upon mutual agreement.
  - c) Research facilities and necessary expenditures needed to carry out the research activities by the exchange scientists, students and officers (e.g. laboratories, instruments, apparatus and chemicals) shall be provided by the receiving institution.
  - d) The details of support including travel and living expenses will be stated separately in a memorandum which will be exchanged between the two institutions.
  - e) The receiving institution will do the best to make preparation for hotels and/or guest house accommodations for the stay of the exchange scientists in the host country.
2. Both institutions will be ready to consider any possible correction or supplement to this agreement by written mutual consent.
3. The agreement will be effective from the date of signing and, will stay in effect for 6 months after the date of notification by either party to rescind their participation and approval of this agreement.
4. The details of support and other relevant matters as necessary, will be outlined in a separate memorandum.
5. Both parties hereto aim to execute a formal agreement in the future. This agreement is not intended as a formal agreement between the parties hereto but as a statement of the present intention and understanding between the parties herewith.

In witness whereof the parties have hereunto set their signs and seals on the date below
